

A Word From Our New Shoe Department.

Just three months ago this department was opened for business.

You remember we promised to show you the prettiest and most snappy line of Footwear ever shown in Barre.

The way the business has been increasing is pretty good evidence to us that we have made good our promise.

Especially are we pleased at the very generous business we have received on Boys' and Girls' Shoes and Oxfords.

Remember our whole stock is made up of nothing but Boys', Girls' and Women's Footwear; our aim is to be second to none in these lines.

Forty different styles of La France Shoes for Women. Styles to please every Woman at \$1.50, 2.00 and 2.50. For Boys and Girls we are particularly proud of the line.

KODAKS AND SUPPLIES.

There Is a Big Difference In Tea and Coffee

Some coffee grown in Mexico, some in Porto Rico, and a great deal more in Brazil.

It doesn't make so much difference where it is grown, as how it's cultivated as what kind of coffee it makes.

The same with Tea. It doesn't have to be grown in China or Japan if the quality is there.

For example—try our 39c Ceylon.

Or the regular 40c value Green Japan Tea we are selling for 29c a pound.

"Medallion Coffee," that's all we need to say, is 35c a pound.
